

Claim example for continuous held-away after returning to away from home terminal when tie up screen doesn't show additional continuous held-away after tying up at home terminal. Note: make claim on a non-service time slip.

I tied up at (terminal and time) I began held-away at (time) I was then called for the (train symbol at time). I was returned to my away from home terminal (terminal circ) and tied up at (time). I went back on continuous held-away until I was called for the (train symbol and time). Total held-away claimed (hours and minutes).
